Hi Martha,

In addition to the proposed Exide quote from you for DTSC's press release, can you review this RA quote for a BNSF/Progress Rail company press release on zero-emission rail? The project is supported by an EPA targeted airshed grant:

Draft release is attached, for your context.

Hi Martha,

Do you approve the following quote from you for DTSC's press release announcing their Exide NPL request?

## **Ex. 5 Deliberative Process (DP)**

See attached for the draft of DTSC's release. I also note that we'll have a Statement from you go out as an R9 news release, once DTSC makes their announcement.

Thanks,
